

S753

The S753 is a premium drive tyre for regional and pickup applications. The interlocking tread block reduces stone retention and improves self-cleaning capabilities. Extra deep grooves (26/32") offer a longer tread life.

Features & Benefits:

- Tread block sipe design improves grip.
- Open shoulder and tread groove design reduce stone retention and improve traction.
- High strength casing for improved durability.

SMARTWAY VERIFIED TYRE:
APPROVED FOR USE ON EPA SMARTWAY CERTIFIED EQUIPMENT
