Beefy Baby is the standard bearer of the Galaxy family of skid steer tires. Beefy Baby tires are the most durable and versatile bias ply tires in the Galaxy skid steer range. They have been proven to be the lowest cost per hour tires in the market. Users, renters, dealers and OEMs have all acknowledged that the Beefy Baby is the beefiest and best performing design skid steer tire in the world, making it the standard by which all other skid steer tires are measured. This leading market position was earned over many years of service thanks to the Beefy Baby's wear resistant compound, superior tread design, super sidewall and rim shield protector.
