Partner

SMART FLEX DH35

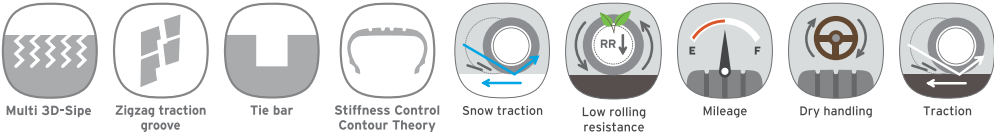

New all season tyre designed
for variable road conditions

SMART FLEX DH35

Mid to Long Haul Drive position

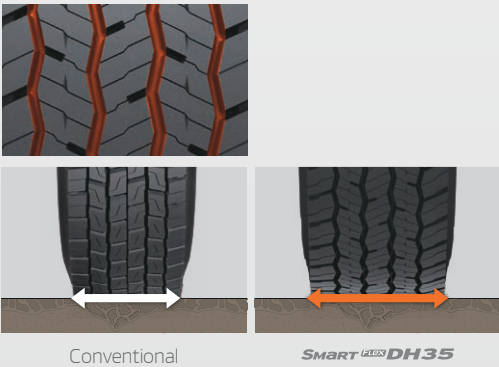

Rib type tread pattern design and multi 3 dimensional sipes ensure low rolling resistance and excellent driving performance.

Design Features

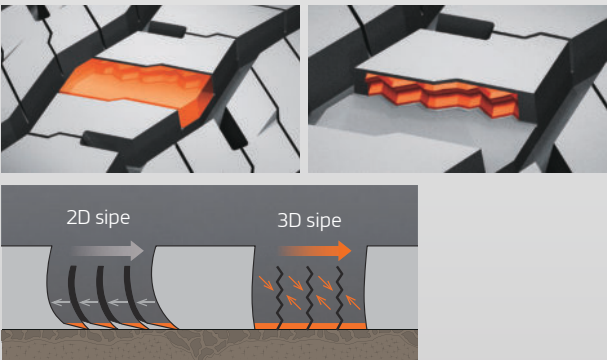

A Wide tread width with 4 zigzag grooves

Wide tread with 4 zigzag grooves enables high mileage and excellent driving performance in variable conditions.

B Multi 3 dimensional sipes

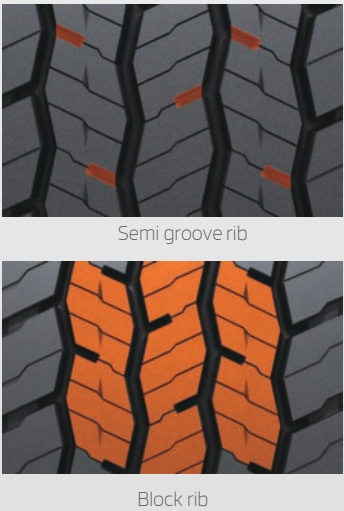

The special tread pattern design with multi 3 dimensional sipes offers low rolling resistance and outstanding traction.

Technology and Benefits

C Innovative rib type tread pattern design

Special tread pattern design for low rolling resistance and excellent traction performance across multi applications
